Jm. 6-8-22

Subject No. 133.

Holding Government offices in the mornings on *shandy* days in district and taluk headquarters.

Mr. Mahomed Raza, Hassan Town Municipality.

Summary of Representation.

For sometime, it was in vogue to hold Government offices in the mornings from 8 to 12 in the district and taluk headquarters on *shandy* days in order to enable both officials and public to make necessary purchases in the *shandy*. This practice has been put a stop to. Consequently, both the officials and the public have been put to a great loss since they have to make necessary purchases in shops only by paying prohibitive prices. It is prayed that orders may be issued to hold offices on *shandy* days during mornings.

Note.—Not discussed for want of time.

1)

2) No action seems called for so far as the General & Revenue Depts is concerned. If approved this may be returned to the R. A. Section with this remark

3) I think this has to be dealt with & disposed of in Govt Sects. There is an order indicating the manner of disposal of such cases. Please put up. If action is required work up the case

7.9.22

4) On the last occasion when this B^r was taken up for orders — "Under G.O. Nos 1414-1463 dt 18.11.1915 every office may appoint its hours of work according to its convenience and the ordinary hours viz 11 A.M. to 4 P.M. may be changed with the sanction of Govt". So no action seems called for

3) 1) The proposal does not in the first place, affect the Cities of Bangalore and Mysore, and these two places should require no change whatever.

2) As regards all the other District and Taluk Head Quarter places, it is a fact that a large portion of the consuming public including the Officials buy their Stores in weekly Shandis. The Offices that are held in such places from 11 to 5 are usually the following:-

1. Revenue Offices.
2. Local Fund Offices
3. P. W. D Offices
4. Forest Offices
5. Regr Offices.
6. Courts.
7. Police Offices.
8. Schools. Depts can be considered.

undesirable to change the hours of work to the mornings

4) As regards Others, the Conservator of Forests, the two Chief Engineers, the D.S. of Education, and five Deputy Commissioners viz. Chitaldrug, Tumkur, Shimoga, Mysore and Bangalore, are in favour of holding the Offices in the mornings on Shandy days, whereas the Revenue Comr, Excise Comr, the D.S. of Police, and the Deputy Comr of Kolar are against it. The Deputy Comrs of Hassan and Kadur suggest the holding of Offices some what later than usual, say at 12 noon or 1 PM. This latter proposal will not in any way improve matters, since the Offices Shandys do not generally meet before 12 noon, and the proposal would, while cutting down the hours of work, not serve any useful purpose.

5) The Chief objection against holding Offices in the morning, just forth, is the reduction in the no. of hours of work and consequent decrease in the outturn of work. But as a matter of fact, as remarked by the Deputy Commissioners, Tumkur District, the Officials especially in Taluk Head Quarters, do seem to

Sir,

Holding Government Offices in the mornings on Shandy days in District and Taluk headquarters.

With reference to your Circular letter No.0.2628-97/G.M.68-22-1 dated 8th November 1922, I have the honour to inform you that with the exception of the office of the Executive Engineer, Tarikere, all important offices of the Railway Department are either in Mysore or Bangalore. The Executive Engineer, Tarikere, can use his discretion about allowing his clerks to go to Shandy and so far there have been no complaints. Traffic Offices must remain open during ordinary business hours.

Sir,

Adverting to your Circular No.02628-97/GM 68-22-1 dated 8-11-22 asking my opinion in the matter of holding Government offices in the mornings on Shandy days in District and Taluk headquarters, I have the honour to state that as the shandy will be held at frequent intervals either once a week or a fortnight, the holding of some offices in the morning while others will be held in the afternoon would result in constant set back of work in offices having to exchange correspondence and generally inconvenience the public who have dealings with Government offices and treasuries and parties having to attend Courts. It is

necessary that the hours of business in all the offices in the State should as far as possible, synchronise if there is to be no retardation of Government work. I am not therefore in favour of the proposal.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.

The difficulties mentioned by the Assembly Member do not seem to be insuperable and could be met, I believe, by other means. I am therefore of opinion that it is not desirable to change the hours of office work on shandy days at any place.

Sir,

Adverting to your letter No: G. 2628-97/G.A.68-22-1 dated 8th November 1922 calling for opinion in the matter of - holding Government Offices in the mornings on shandy days in - District and Taluk Head Quarters, I have the honor to state - that most of the Taluk Head Quarter places in the District are not commercially important centres and food stuffs and other - commodities of life are generally sold here very dear as local merchants stock them by wholesale purchases on shandy days or by importing these from Shimoga, Tarikere and other important trade centres. As prevails at present both the public (especially poor people) and the official class generally look - forward to the shandy day to buy up good butter, vegetables, grains and other necessaries of life which would last till the next shandy and which are often procurable at comparatively - cheap rates. These articles are generally brought to shandies for sale by the villagers who will be anxious to dispose these of them of before evening to enable them to buy up out of the - realisation other provisions available in the shandy, required for domestic purposes.

52

2. As the bulk of the shandy people have to come from distant places, the shandy will take time till 12 or 1 0'clock to fully collect and will generally close before 5 or 6 P.M. It is between these hours that the officials will not be able, owing to office work, to take advantage of the shandy. They are in fact put to a great deal of inconvenience and trouble as they will have to purchase the same articles, sometimes inferior in quality with the local merchants at a prohibitive price.

3. The circumstances detailed above apply to a certain extent to district head quarter places also and most of the officers who were consulted in the matter are of opinion that the representation may be favourably considered. As there will not be any dislocation of work by holding offices in the mornings on shandy days I am inclined to agree with the opinion expressed above and recommend that the proposal may be viewed with favour. Of course this view is taken from the stand point of the officials and not the public.

G. Aravamudu Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department,
Bangalore.

Sir,

With reference to your letter No.0.2628-97/G.M. 68-22-1 dated 8th November 1922, calling for my opinion in the matter of holding Government Offices in the mornings on Shandy days in District and Taluk Head Quarters, I have the honor to state that from the replies received from the Sub Division Officers of this District, who were consulted in the matter, it is seen that the Sub Division Officers of Saklespur and Hole Narsipur are not in favour of the proposal of holding morning offices on shandy days, whereas the Sub Division Officer of Hassan states that the officials will be greately benefitted if morning offices are held between 8 A.M. and 12 noon. Copies of the letters received from the Sub Division Officers of Hassan and Hole-Narsipur are herein enclosed for kind reference.

However, I am of opinion that the offices may be held from 1 P.M. on shandy days.

I have the honor to be,

Your most obedient servant,

K. Mylar Rao
Deputy Commissioner,
Hassan District.

Letter No.D.2.Dis.17 of 22-23 dated 5th December 1922 from the Sub Division Officer, Hassan Sub Division, to the Deputy Commissioner, Hassan District.

With reference to your Memo No.263-22/H.C.dated the 29th November 1922 calling for my opinion in the matter of holding offices in the mornings on shandy days, I have the honor to state that as shandies provide large quantities of fresh goods at cheaper prices than ordinary ~~xxxxxxx~~ shops the officials will be greatly benefitted if offices are held on those days from 8 A.M. to 12 noon instead of 11 A.M. to 5 P.M. as at present.

Letter No.146-22/H.C. dated 6th December 1922 from the Sub Division Officer, Hole Narsipur Sub Division, to the Deputy Commissioner, Hassan District.

With reference to your Memo No.263-22/H.C. dated 30th November 22 calling for my opinion in the matter of holding Government Offices in the mornings from 8 to 12 in the District and Taluk Head Quarters on shandy days, I have the honor to state that it is not desirable to hold the offices in the mornings as people who come from distances to courts and offices for cases and other miscellaneous matters cannot come in before 12 and they will have to wait till the next day and that it also causes dislocation of work to a very great extent.

Shimoga. It is with the double object of making purchases and getting documents registered that people generally go to the Head Quarters on Shandy days. It is not desirable to hold the offices in the mornings on those days as the people will then have to go to the Head Quarters on the previous day to be able to present the documents the next day morning.

Thus all the above 6 District Registrars are unanimously of the opinion that no change is called for in the present -- practice of holding the Sub-Registry Offices as usual between 11 A.M. to 5 P.M. on Shandy days also.
